

Year 6 Homework Set: 14.10.25 Due: 20.10.25

Reading Comprehension - Last Saturday, our class visited a Victorian museum located in the heart of our town. The moment we stepped through the grand wooden doors, it felt as if we had entered a time machine. The museum was filled with artefacts from the 19th century, including old toys, clothing, and even full-sized rooms designed to reflect the homes of that era.

Our guide, Mrs Evans, dressed in period attire, shared fascinating stories about daily life during the Victorian age. She explained how children often worked long hours in factories, which made our hearts ache, as we learnt about their struggles and sacrifices. We also discovered how inventions like the steam engine changed transport, allowing people to travel much further and faster than ever before.

After the tour, we participated in a workshop where we had the chance to write with quills and ink. It was a challenging but enjoyable experience, helping us understand what schoolwork was like in those days. Overall, the trip was educational and fun, leaving us with a deeper appreciation for history.

Spelling/Grammar

Complete the words with the correct ending -ent, -ence or -ency.

1. A DNA test showed that the suspected robber was actually innoc_____.
2. My teacher said it was very dec_____ of me to offer the last piece of fruit to our visitor.
3. Kayla always appears so confid_____ when she dances on stage.

5. Fred's mum makes frequ_____ trips to France with work.
6. William tried to feign innoc_____ but the mischief in his eyes gave him away.

Questions:

1. Before reading, what types of artefacts do you think might be found in a Victorian museum? (1 mark)
2. Who was the guide for the museum tour? (1 mark)
3. What might the word 'appreciation' indicate about the students' feelings after the trip? (2 marks)
4. Why do you think the author considered the trip 'educational and fun'? (3 marks)

Arithmetic Skills

1 $1666 + 122 + 664 =$

2 $0 \times 814 =$

3 $4652 \times 10 =$

4 $9093 - 4438 =$

5 $2515 + 132 + 660 =$

6 $987 \div 1 =$

7 $6331 \times 10 =$

8 $9644 -$ $= 4208$

9 $8187 + 436 + 434 =$

10 $314 \div 1 =$

Doodle Maths: Please complete an activity on Doodle Maths 4 times a week.

This week's learning

1. A football club has an average attendance of 859 people to each match. What is the total attendance for the 29 matches played in a season?
2. There are 27 children in a class. Each child pays £7.49 for a school trip. How much do they pay altogether?
3. A bag of nails contains 613 nails. A hardware store has 23 bags. How many nails are in the 23 bags?
4. Eggs are sold in trays of 24. In a week, a farmer sells 372 trays. How many eggs does he sell in one week?

Practice Practice Practice

Draw lines to match these measurements. One has been done for you.

- | | |
|-------|--------|
| 170cm | 800cm |
| 40cm | 2.5m |
| 8m | 1700cm |
| 250cm | 0.4m |
| 4m | 1.7m |
| 17m | 400cm |

Complete the conversions below.

| Millilitres (ml) | Litres (L) |
|------------------|------------|
| 650 | 0.65 |
| 2300 | |
| | 4.37 |
| | 9.2 |
| 780 | |

15 This table shows the weight of some fruits and vegetables.

Complete the table.

| | grams | kilograms |
|----------|-------|-----------|
| potatoes | 3500 | 3.5 |
| apples | | 1.2 |
| grapes | 250 | |
| ginger | | 0.03 |
